
Title: Moonglow Bounty Hunt!

Author: The Moonglow Mooner

Hear Ye, Hear Ye,

Sheriff Chalice of
Moonglow is looking for a
Bounty Hunter to bring
the runaway DeadBob into
custody beginning 7pm
(Eastern) Thursday, June
21st, 2007 at the
Moonglow Bank. 1,000,000
gold pieces are offered
as a reward for the
successful capture and
citation of Deadbob.
Other prizes will be
awarded during the hunt.
DeadBob is wanted for
Bank Loitering, Typos, and
General Tomfoolery. He is
also charged with selling
mail order saddles for
Phillip's Wooden Steeds
to new players, and
absconding with Moonglow's
funds for the Widows &
Orphans of Alien
Abductees.

DeadBob has arms and is
to be considered
ridiculous. Please take
caution upon apprehending
this elusive (and possibly
hidden) character. In
order to make DeadBob
appear you must say,
“DeadBob Put your
hands up!” The only way
you will be able to serve
him the Warrant is to
drop it on him. The first
person to put a warrant
in DeadBob's trade window
will receive the one
million gold reward.
Warrants will be readily
available before the
Bounty Hunt begins.

Once you have Deadbob in custody, bring him back to Sheriff Chalice for your reward.
